50X1-HUM

1. An order was issued by Yugoslav authorities in November 1949 for the transfer of large mills located in Backa (Vojvodina) to Bosnia. In compliance with this order, the transfer is taking place in Srbobran and other localities where the large mills are to be found.
2. Workers employed in the mills are also to be evacuated in connection with the above order. The majority of the workers do not wish to go and are resigning from their jobs with the excuse that there is very little food in Bosnia.
